

Millie Sorger has over 30 years experience with long term care facilities in Central Florida in various positions and has been a licensed Nursing Home Administrator for over 12 years. Millie has extensive experience in managing skilled nursing and assisted living facilities in the Central Florida area. She is currently the CEO/COO of The Gardens at Depugh in Winter Park. "Millie is a veteran administrator with a reputation for fostering a caring environment for both residents and staff," said Jane Hames, President of the Board of Directors at The Gardens. Millie is the past president of Florida Healthcare's District 2 and has served on the Florida Healthcare Board of Directors. Millie serves on a number of local and regional committees related to long term care and senior services.

Millie has been a Central Florida resident since 1980 and graduated with honors from The University of Central Florida with a B.S. in Healthcare Administration.
